

# Luan Porfirio e Silva

---

## Professional Experience

- 2019-Today **Senior Data Scientist at Winnin**, *Rio de Janeiro, RJ, Brazil*.
- Video classification using machine learning techniques
  - Deploy models on AWS
  - Agile software development
- 2014-2014 **Instructor at Uninorte**, *Rio Branco, Acre, Brazil*.
- Taught computing classes in the Digital Games Programming course
- 2011-2014 **Technical Support at Correios**, *Rio Branco, Acre, Brazil*.
- Computing infrastructure maintenance
  - Large-scale system maintenance
- 2007-2011 **Administrative Assistant at AGF Isaura Parente**, *Rio Branco, Acre, Brazil*.
- Computing infrastructure maintenance
  - Administrative support

## Educational Background

- 2017-Today **PhD student in Computer Science**, *Computer Vision*, UFPR - Universidade Federal do Paraná, Brazil.
- Face detection and tracking in unconstrained environments
  - Video understanding
- 2015 - 2017 **MSc in Computer Science**, *Computer Vision*, UFPR - Universidade Federal do Paraná, Brazil.
- Nose tracking in unconstrained environments
  - 3D face alignment in unconstrained environments
- 2011 - 2014 **B.A. in Public Administration**, *UnB*, Brasília, DF, Brazil.
- 2010 - 2013 **B.S. in Information Systems**, *FAMETA*, Rio Branco, Acre, Brazil.

## Languages

Portuguese ++++  
English +++  
Spanish ++  
French +

*Rio de Janeiro, RJ, Brasil*
